

News

Many of our engagements involve matters in which our clients face significant public attention. The following is a list of news stories about the firm, our clients, cases and the results we have achieved.

Randall Arthur Explores Cross-Border Insolvency in Hong Kong at IWIRC PacRim Conference

August 21, 2017

Randall Arthur will lead a discussion August 23 on cross-border insolvency in Hong Kong at the IWIRC PacRim Restructuring and Insolvency Conference in Singapore. The presentation, titled [“Regional Perspective on a Restructuring and Insolvency Case Study,”](#) will explore hypothetical case studies in Singapore, Indonesia, Malaysia, India, Hong Kong and China. Panelists will address the key considerations when dealing with cases of cross-border insolvency, including cooperation between jurisdictions, preserving a company’s assets, and investigative tools and protocols.
