Many of our engagements involve matters in which our clients face significant public attention. The following is a list of news stories about the firm, our clients, cases and the results we have achieved.

Randall Arthur Explores Cross-Border Insolvency in Hong Kong at IWIRC PacRim Conference

August 21, 2017

Randall Arthur will lead a discussion August 23 on cross-border insolvency in Hong Kong at the IWIRC PacRim Restructuring and Insolvency Conference in Singapore. The presentation, titled "Regional Perspective on a Restructuring and Insolvency Case Study," will explore hypothetical case studies in Singapore, Indonesia, Malaysia, India, Hong Kong and China. Panelists will address the key considerations when dealing with cases of cross-border insolvency, including cooperation between jurisdictions, preserving a company's assets, and investigative tools and protocols.
