Many of our engagements involve matters in which our clients face significant public attention. The following is a list of news stories about the firm, our clients, cases and the results we have achieved.

### **Rebecca Hume Delivers Webinar on Resolving Shareholder Disputes with Financial Poise**

March 26, 2019

On March 26th, Kobre & Kim's Rebecca Hume participated in a Webinar panel on Resolving Shareholder Disputes as part of Financial Poise's series on Common Commercial Conflicts 2019. Ms. Hume, who regularly represents clients in high-stakes shareholder disputes including dissenters' rights matters, discussed different types of shareholder disputes and corresponding remedies, including alternative dispute resolution, buy-sell agreement provisions, and share valuation considerations.
