Many of our engagements involve matters in which our clients face significant public attention. The following is a list of news stories about the firm, our clients, cases and the results we have achieved.

Robert Henoch Presents at IBC Legal's Financial Institutions Litigation 2014

October 21, 2014

Robert Henoch participated in the 4th Annual Financial Institutions Litigation conference on October 21 in London. Mr. Henoch and his co-panelists presented on the panel "DPAs and other Recent Developments in Investigating and Prosecuting Financial Crime." The panel discussed the UK Serious Fraud Office's (SFO) approach to internal investigations, the impact of cross-border investigations when dealing with the U.S. Department of Justice (DOJ), deferred prosecution agreement considerations, and SFO response to an independent law firm investigation.
