Many of our engagements involve matters in which our clients face significant public attention. The following is a list of news stories about the firm, our clients, cases and the results we have achieved.

Robin Baik Examines International Enforcement and Compliance Management

April 13, 2018

Seoul-based government enforcement defense lawyer Robin Baik will lead a discussion on cross-border enforcement and compliance management at the *Asian Legal Business* Korea Anti-Corruption Forum taking place in Seoul on April 18. The presentation will highlight best practices for meeting cross-border authorities' compliance expectations, including multijurisdictional coordination, adapting to cross-border requirements and tailoring compliance programs to the evolving regulatory environment.
