Scott Hulsey to Join Panel at Fletcher Political Risk Conference 2020

February 26, 2020

Kobre & Kim's Scott Hulsey will be joining a panel to discuss evolving business risks and risk management at the Fletcher Political Risk Conference 2020 in Medford, Massachusetts, on February 28.

New drivers of risk, ranging from the technological and reputational to the societal and geopolitical, are challenging businesses to develop a new set of strategies and tools. The panel, entitled "New Tools: Governance, Corporate Diplomacy & Stakeholder Management," will look at the tools corporations are developing to ensure long-term business profitability and sustainability. Hulsey and his fellow panelists will focus on three key questions – how multinational firms respond to unfolding events, how to prioritize a world's worth of geopolitical noise in a given day and how corporations can step in the gap left by nations.
