Many of our engagements involve matters in which our clients face significant public attention. The following is a list of news stories about the firm, our clients, cases and the results we have achieved.

Sergio de Aguiar to Speak on Cross-Border Asset Recovery at ABI's Latin America Symposium

May 12, 2025

Publication: *American Bankruptcy Institute*

Kobre & Kim's Sergio de Aguiar will speak at the American Bankruptcy Institute (ABI) International: Latin America Symposium, taking place in Cartagena, Colombia, from May 12-14, 2025.

Mr. Aguiar will join a panel discussion titled "Asset Tracking and Recovery", where he will explore asset recovery strategies in different jurisdictions in relation to complex cross-border proceedings. The panel will also discuss tools for securing asset freezes and injunctions across multiple legal systems, along with key strategic considerations when selecting the right jurisdiction to commence enforcement proceedings.

The symposium brings together insolvency and asset recovery professionals from across the Americas to exchange insights on evolving legal and financial frameworks.
