Many of our engagements involve matters in which our clients face significant public attention. The following is a list of news stories about the firm, our clients, cases and the results we have achieved.

Shaun Z. Wu Discusses Strategies and Best Practices for Outbound Arbitration and Enforcement of Arbitral Awards

April 22, 2015

Shaun Wu, based in Kobre & Kim's Hong Kong office and a member of the firm's International Judgment Enforcement & Offshore Asset Recovery Group, presented at the 5th Annual International Arbitration Summit organized by Wolters Kluwer Hong Kong.

Mr. Wu explored topics including the conception of strategy for outbound arbitration and asset recovery in the post-award stage. He also discussed the key factors that lead to successful enforcement, particularly the choice of arbitration center and pre-arbitration considerations, including identifying assets.
