Many of our engagements involve matters in which our clients face significant public attention. The following is a list of news stories about the firm, our clients, cases and the results we have achieved.

Simon Cullingworth and Jef Klazen Tackle Asset Tracing and Enforcement Strategies at CLAN Seminar

March 23, 2017

Kobre & Kim lawyers Simon Cullingworth and Jef Klazen discussed asset tracing strategies and the various ways to access assets and cash flow at the Commercial Litigation Association's Asset Tracing & Judgment Enforcement seminar on March 23. The panel "Tracing and Timing" focused on the steps to take toward enforcement, how to find accessible assets, key considerations and risks, and alternatives to the direct seizure of assets.
