Many of our engagements involve matters in which our clients face significant public attention. The following is a list of news stories about the firm, our clients, cases and the results we have achieved.

Stephen Hayes Discusses the Judicial Approach to Enforcing Creditor's Rights

April 17, 2015

London-based lawyer Stephen Hayes discussed the challenges to cross-border judgment enforcement at the 10th annual CCICF Paris Seminar on "Management of Claims and Dispute Resolution" on April 17, 2015. Mr. Hayes' presentation, "Enforcing Creditor's Rights: Judicial Approach," compared UK and international perspectives and approaches to alternative dispute resolution.
