Many of our engagements involve matters in which our clients face significant public attention. The following is a list of news stories about the firm, our clients, cases and the results we have achieved.

Steven Kobre and Nathan Park Discuss Cross-Border Arbitration at Lunch Seminar with KCAB International

March 7, 2019

An increasing number of parties to Korea-related transactions are choosing to settle commercial disputes outside of court. On March 12, Kobre & Kim's Steven Kobre and Nathan Park will speak with the Korean Commercial Arbitration Board's Secretary General, Sue Hyun Lim, to explore how and why this is. This complimentary lunch seminar is in partnership with the Korean Commercial Arbitration Board's international division, KCAB International.

KCAB International was established in April 2018 to meet the growing demand for cross-border dispute resolution. The Korean Commercial Arbitration Board is the sole arbitral institution in Korea authorized to handle such disputes.
