

## News

Many of our engagements involve matters in which our clients face significant public attention. The following is a list of news stories about the firm, our clients, cases and the results we have achieved.

### **The Asian Lawyer and Kobre & Kim Co-Host Webinar Series on International Judgment Enforcement**

February 12, 2013

Publication: ***The Asian Lawyer***

*The Asian Lawyer* and Kobre & Kim presented two webinars on the Challenges of international judgment enforcement. The event, which was held on February 12 for U.S.- and Latin American-based attendees and on February 19, in both English and Mandarin, for Asia-based attendees, featured several members of Kobre & Kim's award-winning judgment enforcement team from the firm's Caribbean, U.S., London, and Hong Kong offices. The interactive webinar focused on the interplay between onshore and offshore jurisdictions, in particular China, the British Virgin Islands, and the Cayman Islands.

If you are interested in viewing this webinar, or for additional information about Kobre & Kim's judgment enforcement practice, please contact [inquiries@kobrekim.com](mailto:inquiries@kobrekim.com).
