Many of our engagements involve matters in which our clients face significant public attention. The following is a list of news stories about the firm, our clients, cases and the results we have achieved.

Vasu Muthyala Explores Anti-Corruption Enforcement at Asia-Pacific Summit

December 6, 2017

Vasu Muthyala explores the Asia-Pacific region's anti-corruption environment and trends at the December 7 Duxes Anti-Corruption Compliance Asia Pacific Summit in Hong Kong. Mr. Muthyala will discuss anti-corruption case studies and policies, including effective compliance programs in China. The panel, titled "Changes to the Anti-Corruption Enforcement Environment and Investigative Trends in the Asia Pacific Region," will also focus on the importance of compliance program audits and anti-corruption law changes in the region.
