

## News

Many of our engagements involve matters in which our clients face significant public attention. The following is a list of news stories about the firm, our clients, cases and the results we have achieved.

### **Vasu Muthyala Explores Internal Investigations and the Regulatory Regime in India**

June 25, 2018

Former U.S. Department of Justice prosecutor Vasu Muthyala will discuss internal investigations and the anti-corruption landscape in India during a webinar hosted by Nishith Desai on June 27. The webinar, titled “The Authorities are here: Plan and Prepare to handle a crisis, before it happens,” will focus on the key considerations when preparing for an internal investigation and the anti-corruption law relating to conduct in India. Topics include the U.S. Foreign Corrupt Practices Act (FCPA), U.S. Anti-Money Laundering regulations, the UK Bribery Act, and the risks and challenges companies may face.
