

## News

Many of our engagements involve matters in which our clients face significant public attention. The following is a list of news stories about the firm, our clients, cases and the results we have achieved.

### **Shaun Wu Explores Cross-border Litigation and Investigations in China**

March 21, 2018

Shaun Wu, based in the firm's Shanghai office, will explore cross-border litigation, investigation and arbitration at Consilio's March 26 "eDiscovery Challenges in China" seminar in Beijing. The presentation will focus on practical considerations when conducting eDiscovery in the Chinese market, including restrictions multinational corporations may face, challenges when responding to foreign government inquiries, and how China's data privacy laws may impact regulatory investigations.
