aidan.bolger@kobrekim.co.uk

As a senior leader within the firm's Strategy Group, Aidan Bolger works with both lawyers and clients to drive forward the firm's strategic priorities. On a day-to-day basis, he is responsible for leading strategy formulation, product development and business development.

Before joining Kobre & Kim, Mr. Bolger was at Freshfields and Clifford Chance in London working in business development roles, primarily related to financial institutions. Before that, he practiced as a lawyer in New Zealand for several years.

Mr. Bolger studied law and finance at the University of Otago.
