Colton Wade is the firm's Senior Product Manager for International Private Client & Government Enforcement Defense, overseeing strategy and business development initiatives for the integrated offering and driving the firm's strategic priorities in the area. In coordination with the Chief Strategy Officer, he is responsible for leading strategy formulation, product development and the entire lifecycle of business development for the integrated offering.

Before joining Kobre & Kim, Mr. Wade served as an Economic Intern with the Department of State at the U.S. Embassy in Brazil. A fluent Spanish and Portuguese speaker, he received his MPhil in Socio-Legal Research from the University of Oxford and graduated with his BS and MS from Georgetown University's School of Foreign Service.
