Edward Bryant is the firm's Senior Product Manager for Kobre & Kim Business Advisors (KKBA), overseeing the commercial strategy behind the firm's independent suite of advisory services. In coordination with the Global Strategy Manager of Regions, he is responsible for coordinating both product and business development initiatives for KKBA, and in working alongside KKBA partners to provide strategies that can transform a client's market position.

Before joining Kobre & Kim, Mr. Bryant graduated from Cambridge University with a BA.
