Eric Celenti, under the supervision of the firm's lawyers, provides support on matters involving government enforcement defense, with a focus on financial markets, investigations, monitorships and examinations.

His recent matters include assisting with the firm's representation of a CEO and founder of an alternative asset management firm in U.S. district court against charges of alleged securities fraud from the DOJ and proceedings brought by the SEC, several state regulatory agencies and multiple investor civil actions.

Mr. Celenti also supported the firm's representation of a high-net-worth businessperson in exploring cross-border factual strategies and legal defenses against sanctions, and the representation of a major sports league in third-party litigations.

Mr. Celenti received his BS from the University of Virginia – McIntire School of Commerce.

Education

- University of Virginia, BS
