Gabriel Klausner, under the supervision of the firm's lawyers, assists in matters involving financial products and services litigation, government enforcement defense, and asset tracing and recovery. His recent matters include providing research and analysis in relation to the representation of the former CEO of a large media company in responding to charges under the Racketeer Influenced and Corrupt Organizations Act (RICO) and of money laundering and wire fraud brought by the U.S. Attorney's Office for the Eastern District of New York in connection with the acquisition and maintenance of broadcasting rights contracts for international sports tournaments.

Mr. Klausner also provides research and analysis to lawyers representing numerous individuals pursuant to a U.S. Department of Justice, U.S. Department of the Treasury, Federal Reserve, Internal Revenue Service Criminal Division and New York State Banking Department investigation into alleged violations of various banking regulations and the Iranian sanctions regime.

Mr. Klausner received his BA from the University of Michigan.
