Gabrielle Liu focuses on cross-border insolvency and bankruptcy matters and government enforcement defense. In particular, she regularly represents Asia-based clients including financial institutions, state-owned entities and multinational corporations, specifically with regard to navigating bankruptcy and liquidation disputes and related court proceedings. She also represents clients in international government investigations involving allegations of bribery and violations of the Foreign Corrupt Practices Act.

Prior to joining Kobre & Kim, Ms. Liu practiced with Mayer Brown JSM, where she handled matters relating to bankruptcy, restructuring and insolvency litigation.
