Harrison Geist, under the supervision of the firm's lawyers, provides support on matters involving government enforcement defense and intellectual property litigation.

His recent matters include assisting with the firm's service as an independent examiner for the U.S. Department of Justice in an investigation of a major Israeli bank, and assisting with the representation of a Fortune 100 Pharmacy Benefit Manager as a defendant in various litigations across the U.S. arising out of the opioid epidemic. Mr. Geist also recently assisted with the representation of Fractus, a Spanish research and development company, in patent infringement suits against major American telecommunications companies for violating its U.S. patents on cellular base station antenna technology.

Mr. Geist received his BA from the University of Pittsburgh.
