Rajesh Ankalkoti is the Chief Financial Officer at Kobre & Kim, responsible for managing all of the firm's financial operations. He focuses on managing and strengthening the core financial operations, revenue and profitability enhancement and performance improvement. He also supports the firm's global geographic expansion.

Before joining Kobre & Kim, Mr. Ankalkoti was the CFO of the Emerging Devices business at Amazon. He has had extensive professional services experience with Andersen, Deloitte and Alvarez & Marsal, where he advised companies in various business and financial situations including M&A, restructuring, performance improvement, investigations and interim management. Mr. Ankalkoti also served as an interim CFO/COO to various start-up, early stage and growth companies.

Mr. Ankalkoti earned his MBA at Columbia Business School. He is a Certified Public Accountant and a Chartered Accountant in India.
