Wendy Fan is the firm's Product Manager, Advisory, overseeing the commercial strategy behind the firm's independent suite of advisory services. In coordination with the Director of Global Strategy Initiatives and the Senior Product Manager of Kobre & Kim Business Advisors (KKBA), she is responsible for coordinating both product and business development initiatives for KKBA, and in working alongside KKBA partners to provide strategies that can transform a client's market position.

Ms. Fan joined Kobre & Kim's Washington DC office in 2019 as an assistant product manager before becoming a product manager in 2020.

Before joining Kobre & Kim, Ms. Fan graduated from University of Virginia with a BA. She is a native Mandarin Chinese speaker.
